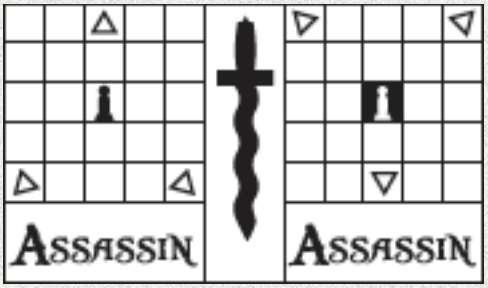
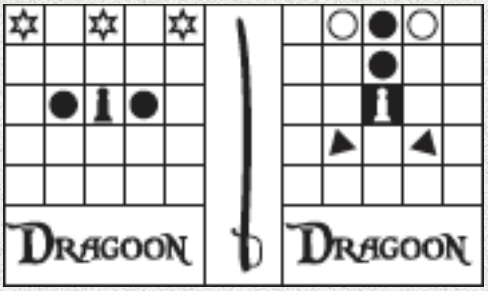
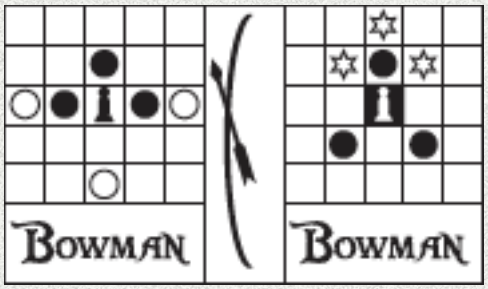
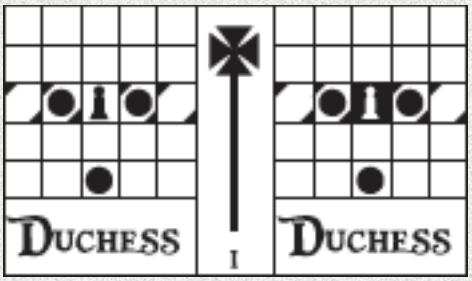
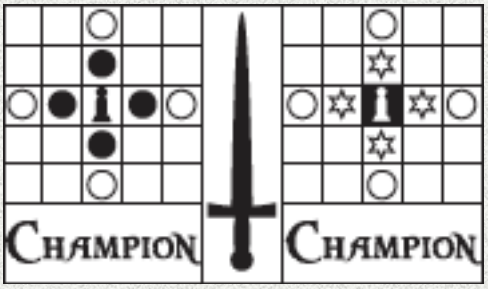
Duke tile reference 1/3

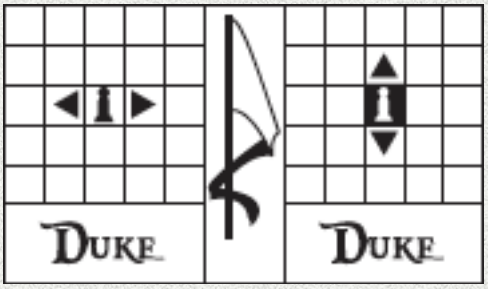




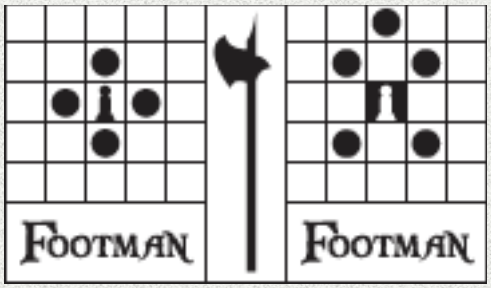


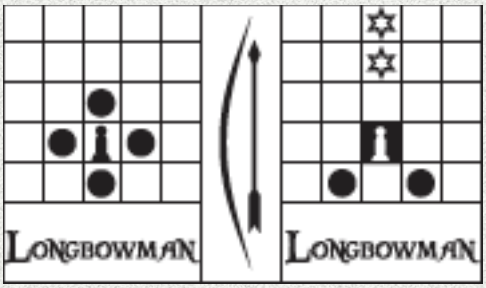


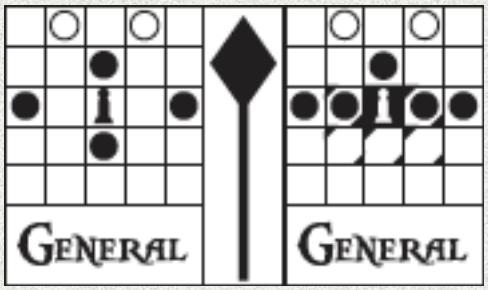


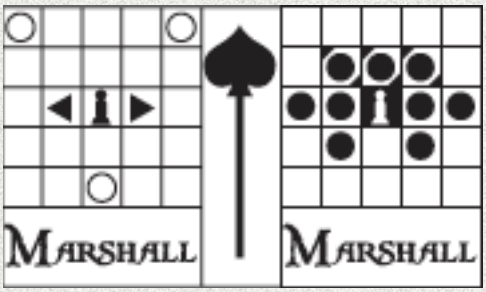


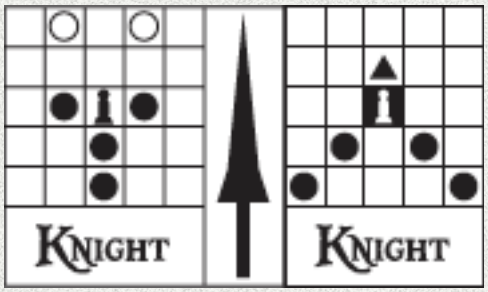
Duke tile reference 2/3

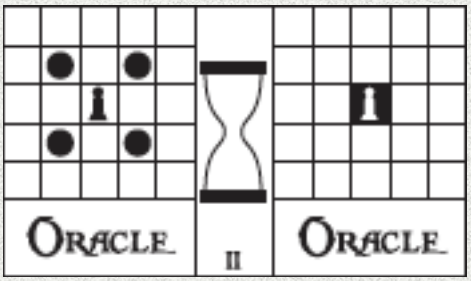




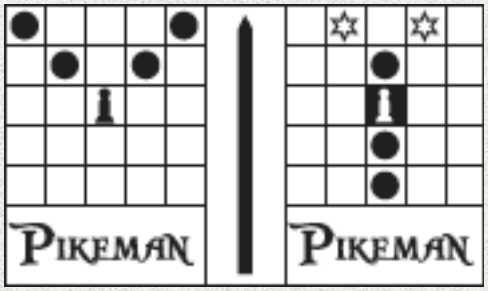


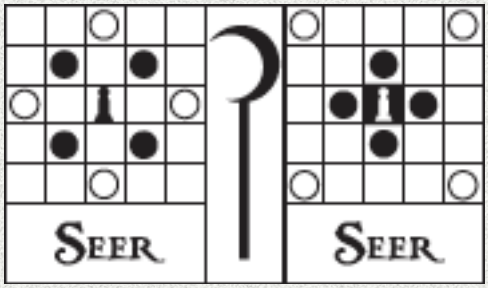


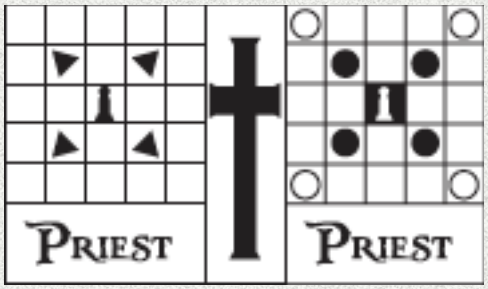


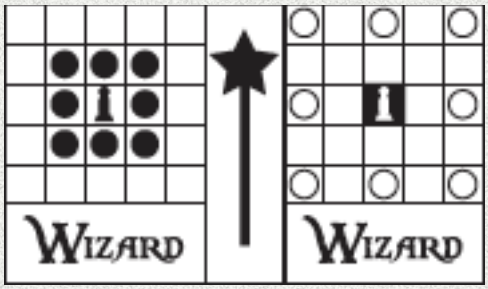


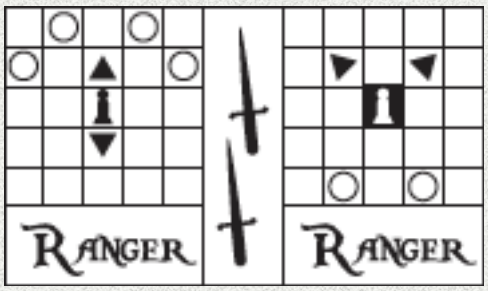
Duke tile reference 3/3











Enhanced abilities

I **Summon:** Place this tile in empty square orthogonally adjacent to Duke. Flip Duke, but not this tile.

II **Divination:** Must have non-starting side up. Flip tile, draw 3 random tiles, deploy 1 and put back and/or destroy the others.

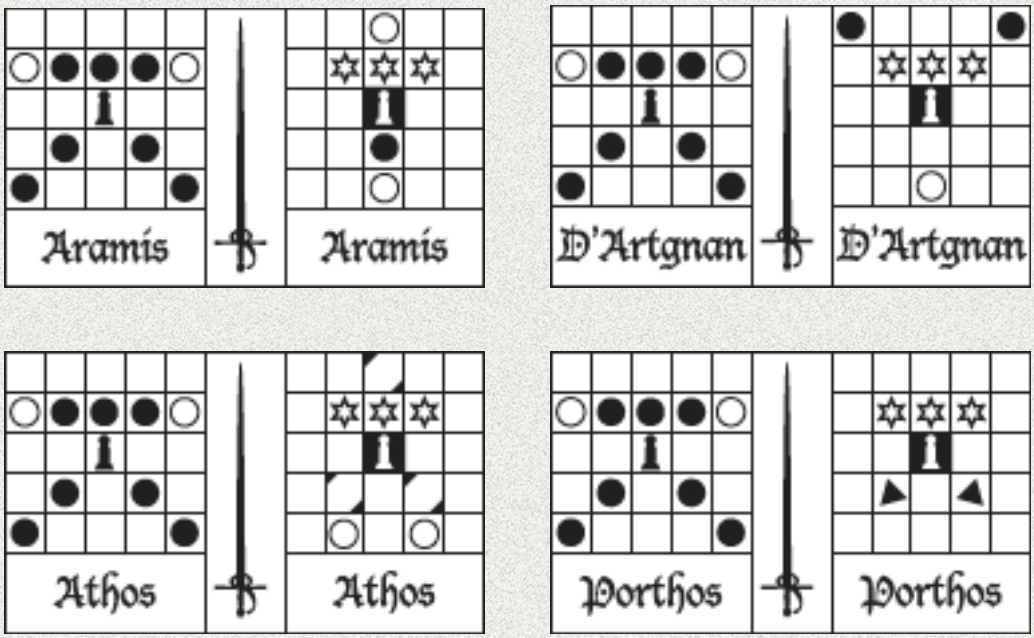
III **Escape:** Sacrifice orthogonally adjacent friendly unit or return captured ransom tile to opponent's bag. Move escapee to either Duke starting square. Enemy there is captured. Unblock by sacrifice if both blocked by friends.

IV **Ransom:** Put captured enemy ransom unit back in opponent's bag, redeploy captured friendly escape unit.

V **Redeploy:** Draw and deploy a new tile, put redeploy tile back in bag. Redeploy tiles cannot be commanded.

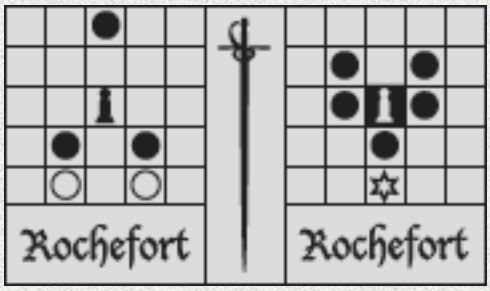
VI **Link:** Linked units can be deployed next to linker or as usual.
Start side - Flip linker, flip and optionally activate linked tile.
Non-start - Flip linker, deploy first random linked tile from bag (corresponding units count, they go back in bag)

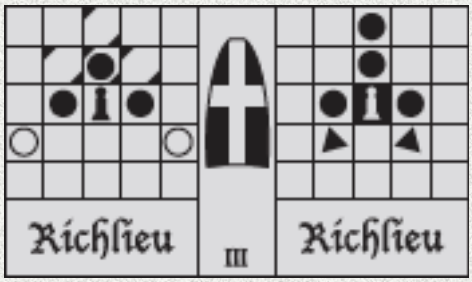
Musketeers, light side

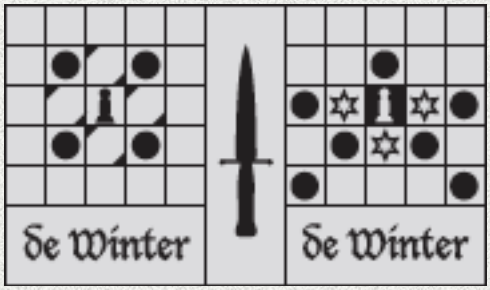


Remove Duke, Duchess, Assassin & Wizard. Choose 3 characters to start with, normal configuration restrictions apply. New tiles are deployed to Duke starting squares, capturing blocking enemy tiles. Win by capturing Richlieu.

Musketeers, dark side

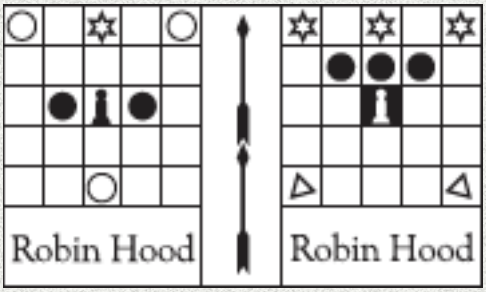


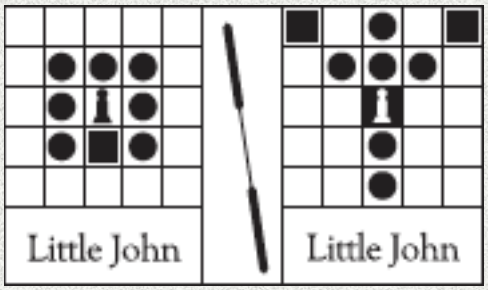


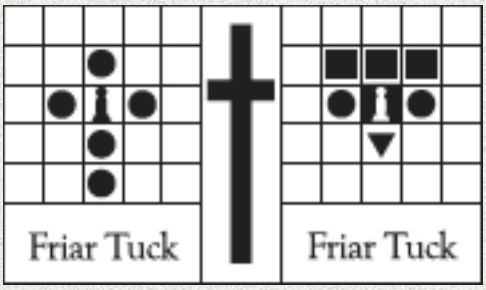


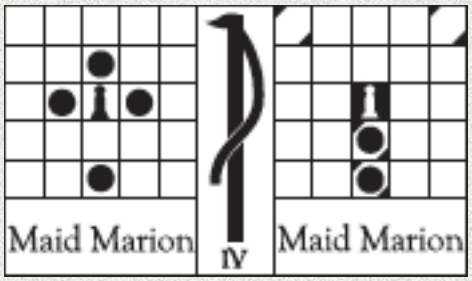
Remove Duke, Duchess & Wizard. Richlieu acts as Duke. Win when no enemy characters are on the board.

Robin Hood, light side



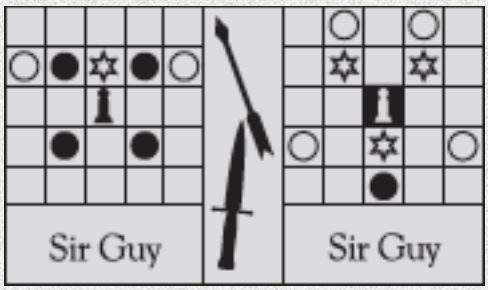


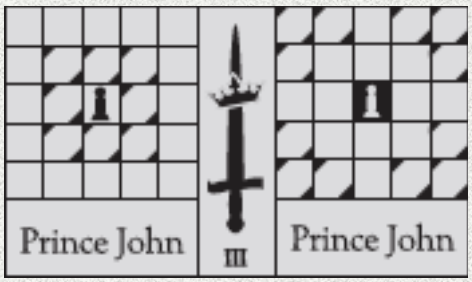


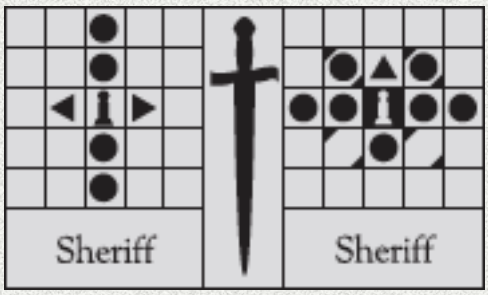


Remove Ranger, a Footman, a Pikeman, Assassin and Duke. Robin Hood acts as Duke. Win when no enemy character are on the board.

Robin Hood, dark side

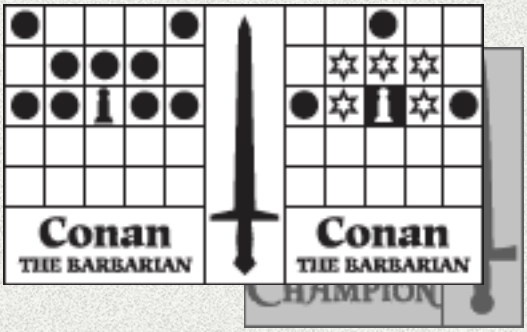


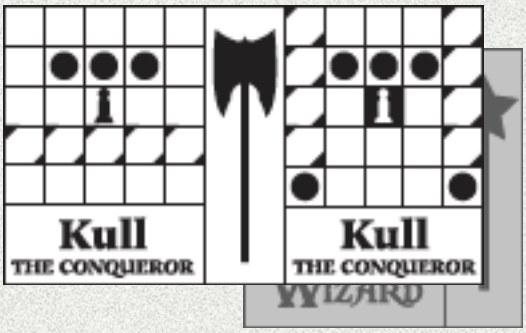


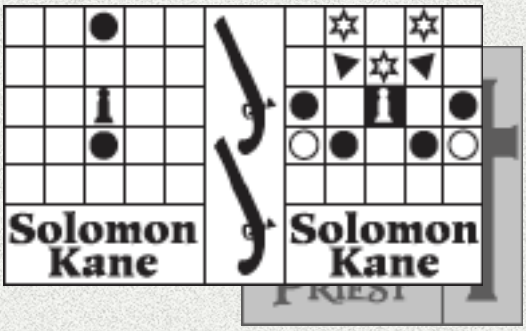


Remove Duke, Champion and Duchess. Start with Sir Guy and 2 Footmen. New units are deployed next to highest ranking character; Prince John > Sheriff > Sir Guy. Win by capturing Robin Hood.

Robert E Howard characters

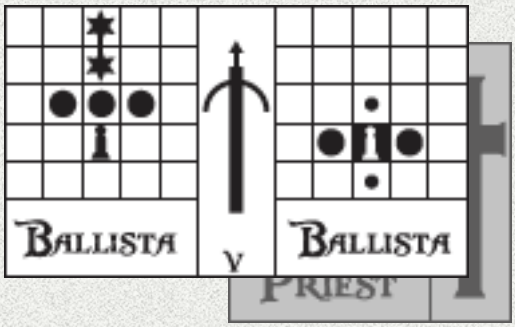


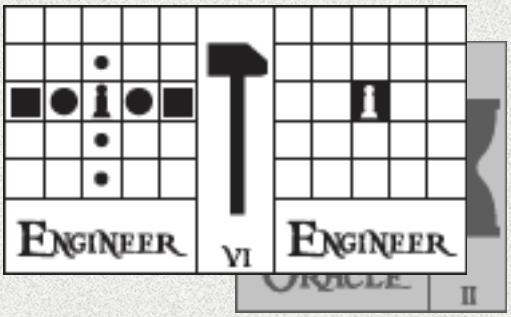


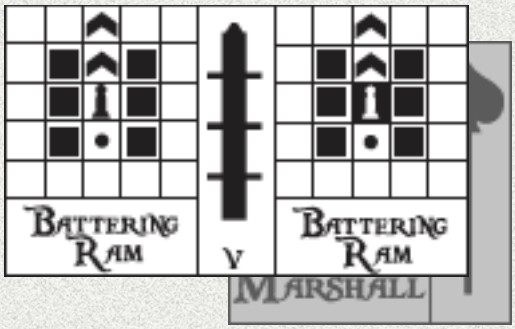


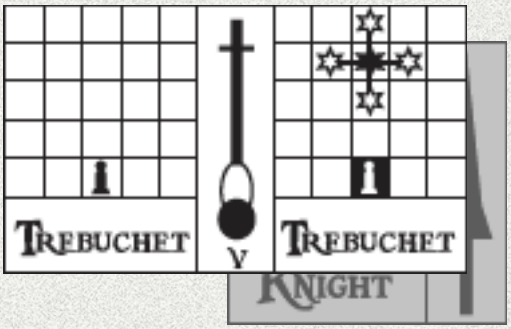
Place character tiles on this card. Optionally deploy them instead of corresponding unit as they are drawn from bag.

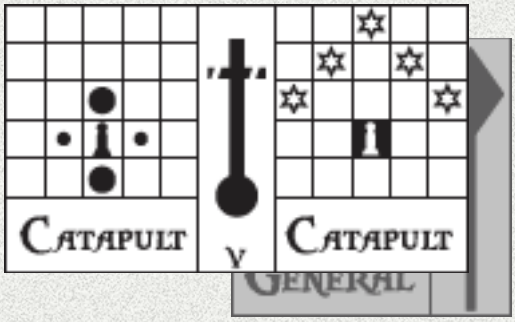
Siege Weapons







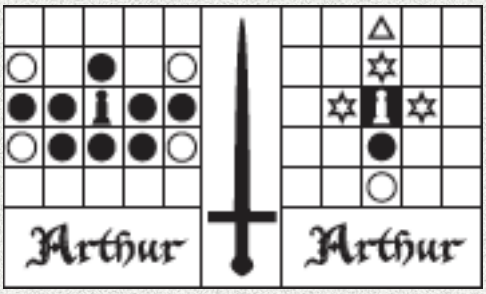


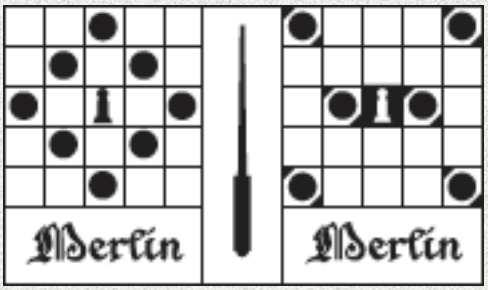


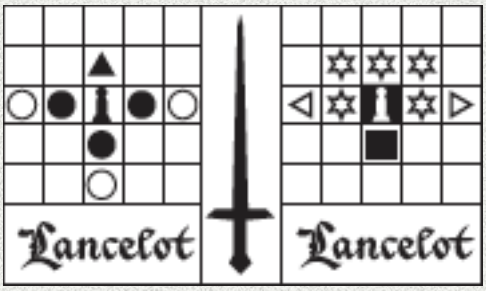
Place the tiles on this card. Optionally deploy them instead of corresponding unit as they are drawn from bag.

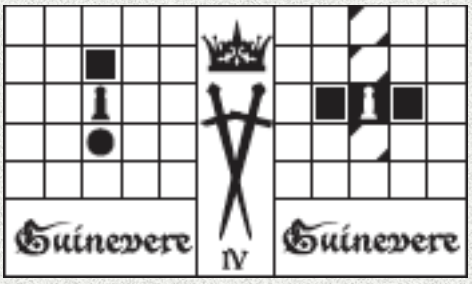
Engineer is linked to all siege weapons.

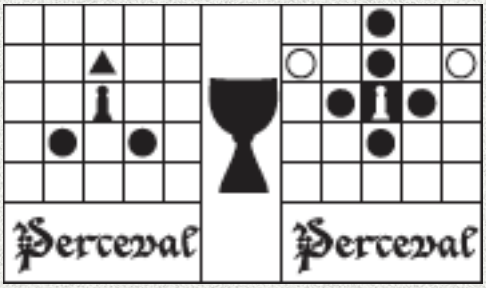
King Arthur, light side







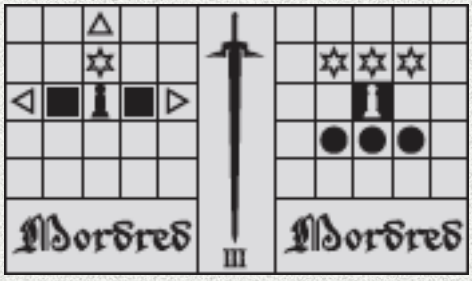


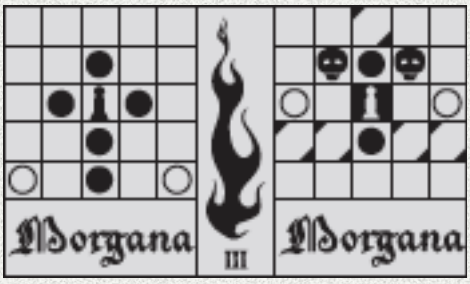


Remove Duke, Duchess, Wizard, Champion & Assassin. Arthur acts as Duke. Win when no enemy characters are on the board.

Character in Camelot gains command on all adjacent 8 tiles. Flip Camelot instead of character when using.

King Arthur, dark side

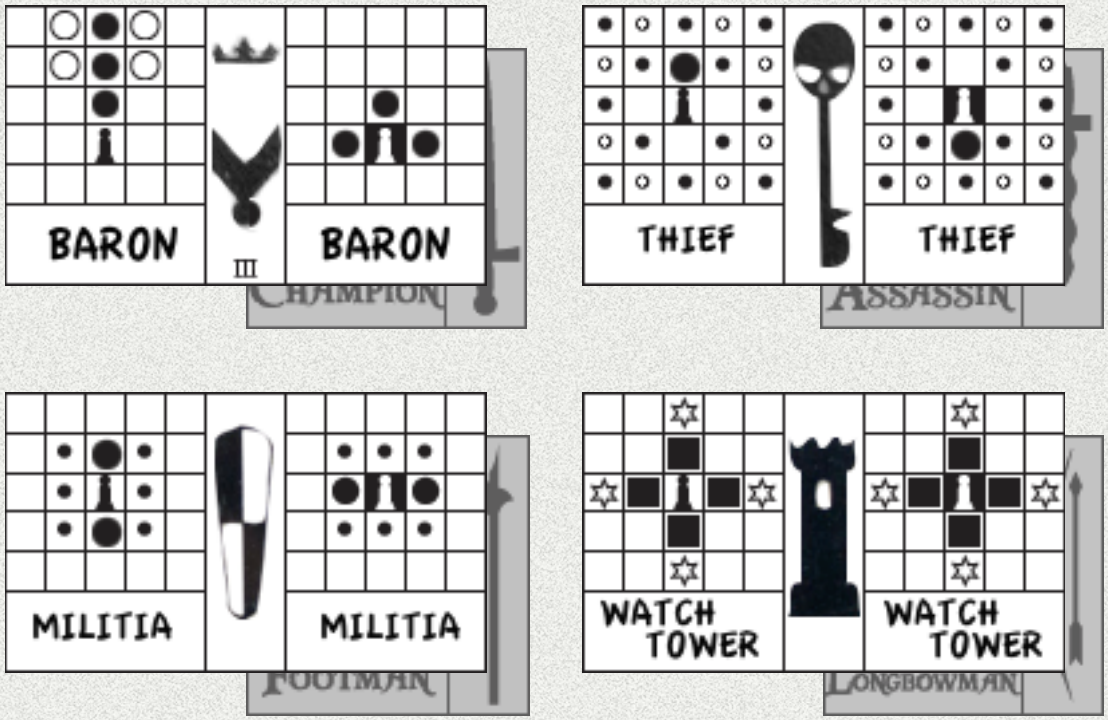




Remove Duke & Duchess. Start with Morgana & 2 Footmen. Both Morgana & Mordred acts as Duke. Win by capturing Arthur.

Character in Camelot can turn any enemy non-character tile. Rotate enemy 180 degrees & flip Camelot instead of character.

Reinforcements - City troops



Exchange none or all of each reinforcement tile for the corresponding base tile(s).
